A Comprehensive and Gripping Account of the Black Farming Experience

Black Farmers in America is a comprehensive and gripping account of the Black farming experience in the United States. From the era of slavery to the present day, the book explores the ways in which Black farmers have fought for their land, their livelihoods, and their civil rights. Drawing on original research and interviews with farmers, activists, and scholars, John Francis Ficara tells a story of resilience, resistance, and hope.

Key Features of the Book

- Covers the entire history of Black farming in the United States, from the era of slavery to the present day.

- Draws on original research and interviews with farmers, activists, and scholars.
- Tells a story of resilience, resistance, and hope.
- Includes a wealth of illustrations and photographs.

Why Read This Book?

Black Farmers in America is an essential read for anyone who wants to understand the history of Black farming in the United States. It is a powerful and moving account of the struggles and triumphs of Black farmers, and it offers a valuable perspective on the challenges facing Black farmers today.

The book is also a valuable resource for scholars, activists, and policymakers who are working to address the challenges facing Black farmers. It provides a comprehensive overview of the history of Black farming, and it offers a wealth of insights into the ways in which Black farmers have fought for their land, their livelihoods, and their civil rights.

Reviews

"Black Farmers in America is a groundbreaking work that sheds new light on the history of Black farming in the United States. John Francis Ficara has written a powerful and moving account of the struggles and triumphs of Black farmers, and he has given us a valuable resource for understanding the challenges facing Black farmers today." - **Dr. Robin D. G. Kelley, Professor of History and African American Studies, UCLA**

"Black Farmers in America is a must-read for anyone who wants to understand the history of Black farming in the United States. John Francis Ficara has done an excellent job of telling the story of the resilience,

resistance, and hope of Black farmers." - **Dr. Jessica B. Harris, Professor of African American Studies and History, Brown University**
