

Blood On The Wave: The Epic Sea Battles of Scotland

By John Cunningham

The sea has always played a vital role in Scottish history. For centuries, the Scots have been a seafaring people, raiding, trading, and fighting on the waters around their homeland. From the Viking raids of the 8th century to the Jacobite risings of the 18th century, the Scots have fought bravely at sea against overwhelming odds.

Blood On The Wave is the definitive account of these epic sea battles. Drawing on a wealth of primary and secondary sources, John Cunningham tells the stories of these battles, the heroes who fought in them, and the impact they had on the course of Scottish history.

The book is divided into three parts. The first part covers the early period of Scottish seafaring, from the Viking raids to the Battle of Largs in 1263. The second part covers the period of the Wars of Independence, when the

Scots fought for their independence from England. The third part covers the later period of Scottish seafaring, from the Jacobite risings to the present day.

Blood On The Wave is a fascinating and informative read for anyone interested in Scottish history, seafaring, or military history. Cunningham's writing is clear and engaging, and he brings the battles to life with vivid descriptions and firsthand accounts.

Here are some of the reviews that Blood On The Wave has received:

“A masterful work of scholarship and storytelling, Blood On The Wave is the definitive account of the epic sea battles fought by the Scottish people throughout their history.” - The Scotsman

“Cunningham has written a gripping and informative book that will appeal to anyone interested in Scottish history, seafaring, or military history.” - The Herald

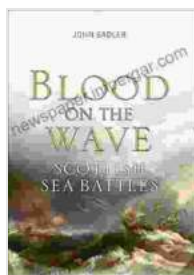

“Blood On The Wave is a must-read for anyone who wants to understand the rich and complex history of Scotland.” - The Sunday Times
