Authoritative and Comprehensive Coverage

Written by a team of leading competition law experts, this book provides a thorough analysis of the substantive issues underlying competition law. It covers a wide range of topics, including:

- The prohibitions against anti-competitive agreements, including cartels and other forms of collusion
- The regulation of mergers and acquisitions, including the assessment of market power and the prevention of monopolies
- The abuse of dominance by dominant firms, including predatory pricing, exclusive dealing, and tying
- The enforcement of competition law, including the role of competition authorities and the remedies available for infringements

In-Depth Analysis and Practical Insights

Beyond its comprehensive coverage, *Dauds On Competition Law Substantive Issues 1st Edition* offers valuable insights and practical advice on the application of competition law principles. It includes numerous case studies, examples, and illustrations that help readers understand how competition law is applied in real-world scenarios.

The book also provides guidance on the latest developments and trends in competition law, ensuring that readers stay up-to-date with the ever-changing regulatory landscape. This includes discussions on the increasing importance of digital markets, the role of competition law in protecting intellectual property rights, and the challenges of enforcing competition law in a globalized economy.

Essential for Legal Professionals and Business Leaders

Whether you are a lawyer advising clients on competition law compliance, a student seeking to gain a deep understanding of this field, or a business

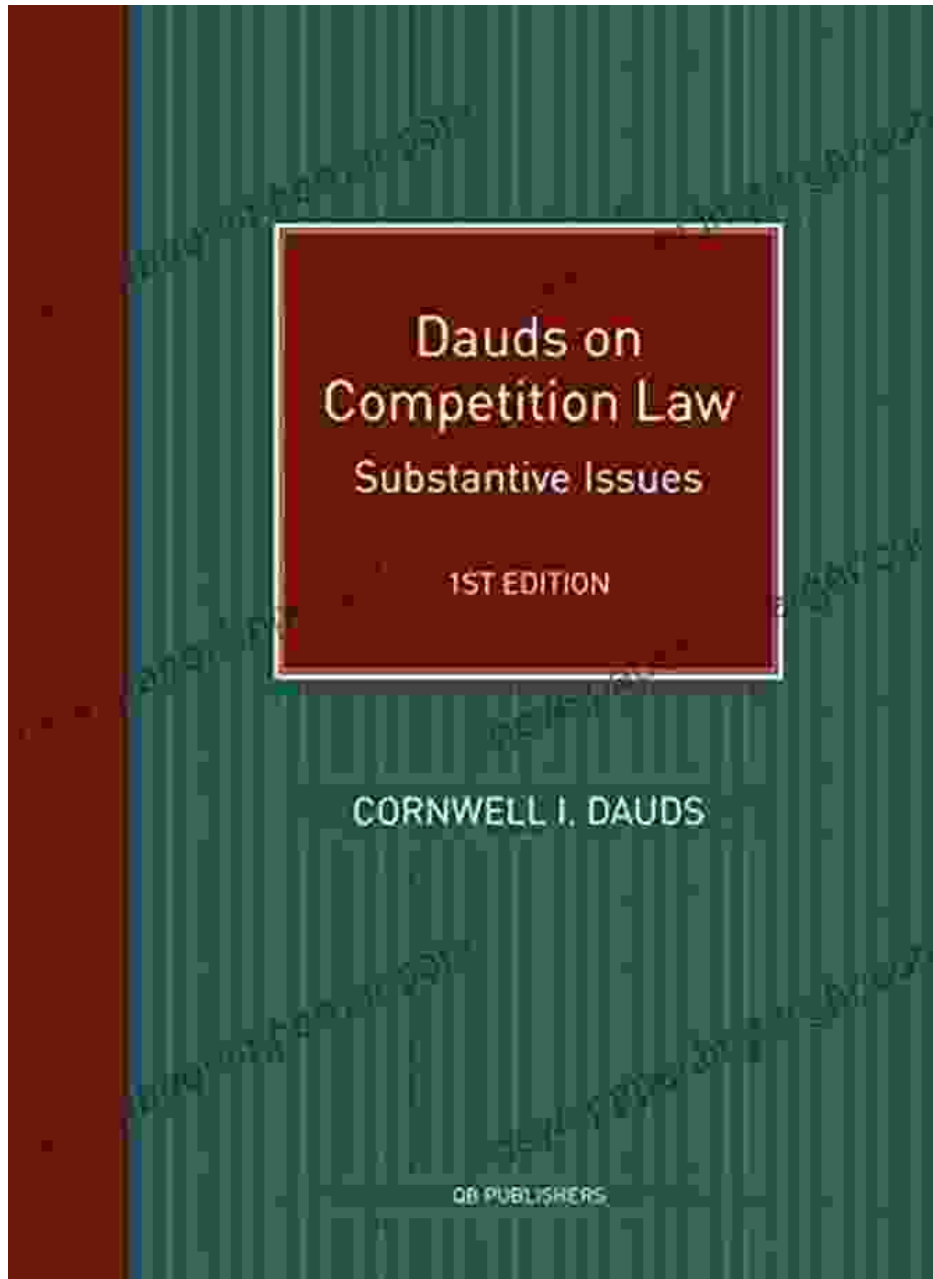

leader responsible for ensuring fair market practices, Dauds On Competition Law Substantive Issues 1st Edition is an invaluable resource.

With its authoritative and comprehensive coverage, in-depth analysis, and practical insights, this book will empower you to:

- Navigate the complexities of competition law and avoid costly infringements
- Stay informed about the latest developments and trends in competition law
- Effectively advocate for your clients or business interests in competition law matters
