The Postcard Collaborators of Fairhaven is a group of local residents who have been collecting postcards of Fairhaven for many years. The group has amassed a collection of over 1,000 postcards, which document the town's history from the early 1900s to the present day.

The postcards in this book are a valuable resource for anyone interested in the history of Fairhaven. They provide a unique perspective on the town's 过去, and help to tell the story of its people and its culture.

The History of Fairhaven

Fairhaven was founded in 1812 by a group of Quaker families from Rhode Island. The town was originally known as "Westport Point," but was renamed Fairhaven in 1830. Fairhaven quickly became a thriving shipbuilding center, and by the mid-1800s, it was one of the leading whaling ports in the United States.

The whaling industry declined in the late 1800s, but Fairhaven continued to prosper as a fishing and manufacturing center. In the early 1900s, the town became a popular summer resort destination, and many wealthy families from Boston and New York built summer homes in Fairhaven.

Today, Fairhaven is a vibrant community with a rich history and culture. The town is home to a number of historic buildings, including the Millicent Library, the Fairhaven Town Hall, and the Fairhaven Whaling Museum. Fairhaven is also home to a number of shops, restaurants, and galleries.
