

The Life of George Washington, Vol. 2: Commander-in-Chief of the American Forces

In this second volume of his acclaimed biography, Washington, Marshall traces Washington's military and political leadership during the American Revolution. Drawing on a wealth of primary sources, Marshall provides a vivid and insightful account of Washington's generalship, his relationships with his fellow officers and soldiers, and his role in the Continental Congress.

The Life of George Washington, Vol. 4 Commander in Chief of the American Forces During the War which Established the Independence of his Country and First President of the United States by John Marshall

Marshall's narrative is rich in detail and anecdote, bringing to life the challenges and triumphs of Washington's wartime experience. We see Washington struggling to maintain an army in the face of adversity, inspiring his troops with his leadership, and outmaneuvering his British opponents.

We also see Washington grappling with the political complexities of the Revolution, balancing the demands of Congress and the needs of the army.

Marshall's biography is a classic work of American history, essential reading for anyone interested in the life of George Washington or the American Revolution. This second volume is a worthy successor to the first, providing a comprehensive and engrossing account of Washington's wartime leadership.

Praise for The Life of George Washington, Vol. 2: Commander-in-Chief of the American Forces

"A magisterial work of scholarship and a compelling narrative that brings to life the challenges and triumphs of Washington's wartime experience."—
Jon Meacham

"Marshall's biography is a classic work of American history, essential reading for anyone interested in the life of George Washington or the American Revolution."—The New York Times

"A monumental achievement. Marshall's biography is the definitive account of Washington's wartime leadership."—The Washington Post
